Magnetic Tin Advent Calendar

A stylish combination of indulgence and exclusivity! This high-quality round metal tin features a practical magnetic ring that can be moved each day to mark the current Advent date. The festive design on the base and rim of the lid creates a seasonal look, while the large branding area on the lid provides ample space for your individual promotional message.

The tin is filled with 24 individually wrapped milk chocolate bars in 4 assorted foil colours. After the Advent season, the attractive tin can be refilled and reused. Choose from standard lid design Ⓐ or Ⓑ, or create your own fully personalised motif.

Note: Magnet is included inside the tin lid upon delivery. Delivery possible from October 2026 at the earliest.
